Emergency Closings:

The Parents' Day Out program at St. Andrew's follows the Downers Grove Grade School District 58 attendance calendar. You can access the calendar at d58.org.

Should DG School District 58 close due to inclement weather conditions, then the St. Andrew's PDO program will also be closed. Weather related closings will result in a credit being issued to your PDO account for the following month.

When emergency conditions arise while your child is at St. Andrew's, then please call the director at **(630)715-3878** or the church office at **(630)968-9188**.
